SCHOOL OF LAW (VSL)

About School

VIT-AP School of Law (VSL) was established as part of VIT-AP University, near Vijayawada, to impart quality legal education with a robust curriculum that prepares students for future legal challenges. The main objective of VSL is to promote global legal professionals with a passion for the ideals of social justice. VSL has impressive infrastructure with a wide range of facilities. VSL allows law students to have an opportunity to work with and learn from engineering faculties while studying law, particularly issues relating to Law and Technology, Cyber Security Law, Blockchain Technology, Machine learning, Artificial Intelligence, and Data Protection. With our moot courts, legal aid clinics, human rights clinic, digital and data clinics, environmental clinics, and intellectual property rights clinics, our students get an opportunity to work with experienced an faculty and practicing advocates and judges in solving real-time legal problems and providing solutions as well.

Ph.D. Program

Overview

The Ph.D. programme at VIT-AP School of Law (VSL) is designed to prepare the graduates for careers as legal scholars and teachers through a doctoral programme aimed at the production of a substantial body of academic research and writing under the close supervision of expert faculty members. This programme offers emerging scholars an opportunity to contribute to the development of law as an academic field, and it provides an alternate pathway into teaching law alongside existing routes such as fellowships, advanced degrees in cognate fields and legal practice.

Eligibility

Minimum Qualification For Admission

Eligibility

- Candidates who have obtained a Master's degree in law from any recognized university or autonomous institution, securing not less than 55% marks are eligible to apply.
